

# MEASURE YOUR RING SIZE AT HOME

1

Pick the finger you want to wear the ring on.

2

Wrap it with Tape/Thread, neither too tight nor too loose. Ensure the sizer is able to move freely over your finger.

3

Mark the line. That is your size.

# RING SIZE COMPARISION CHART

| Diameter (mm) | Circumference (mm) | India | USA / Canada | UK    |
|---------------|--------------------|-------|--------------|-------|
| 13            | 41                 | 1     | 1            | C½    |
| 13.4          | 42                 | 2     | 2            | D½    |
| 13.7          | 43                 | 3     | 2½           | E½    |
| 14            | 44                 | 4     | 3            | F     |
| 14.3          | 45                 | 5     | 3½           | G     |
| 14.6          | 46                 | 6     | 3¾           | H     |
| 15            | 47                 | 7     | 4            | I     |
| 15.3          | 48                 | 8     | 4½           | I½    |
| 15.6          | 49                 | 9     | 5            | J¼    |
| 15.9          | 50                 | 10    | 5½           | K¼    |
| 16.2          | 51                 | 11    | 5¾           | L     |
| 16.5          | 52                 | 12    | 6            | M     |
| 16.8          | 53                 | 13    | 6½           | M½    |
| 17.2          | 54                 | 14    | 7            | N½    |
| 17.5          | 55                 | 15    | 7½           | O½    |
| 17.8          | 56                 | 16    | 8            | P     |
